Special Filming Conditions for Los Angeles County Beaches

VENICE BEACH

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- No parking, blocking or staging in handicap spaces, meters, electric charging stations or Pay and Display machines. May not block public or emergency access at any time.
- May not interfere with lifeguard, maintenance or scheduled beach activities or special events at any time.
- Companies must make parking arrangements for parking in LA County parking lots through Parking Concepts, Inc (PCI) prior to first film date. **For the Venice BL & Rose Av lots: No arrival prior to 7:00 AM or staying past 10:00 pm unless a survey of the residential buildings has been obtained. For the Washington BL lot: Companies will not be allowed into the lot prior to 7:00 AM or after 10:00 PM (No Exceptions).** Sign removal in LA County parking lots is prohibited.

- **NO DRIVING SCENES ALLOWED ON SAND. Use of 4-wheel drive vehicles on the beach is approved for equipment transporting only. No joy riding on vehicles on the beach at any time. Vehicle speed is limited to 5 mph at all time**
- **Equipment vehicles larger than 33 feet in length parking in the Venice Boulevard Beach parking lot must have flagman for safety purposes when crossing over the bike path. Companies may also be required to pay for a parking attendant.**
- **Equipment vehicles may not park on bike path that goes through the Venice Boulevard beach parking lot at any time.**
- Digging holes less than five (5) feet deep must be approved by Beaches & Harbors and indicated on the permit. Holes deeper than five (5) feet will require Cal Osha approval (213) 576-7641 with written approval to Beaches & Harbors.
- If use of maintenance or lifeguard personnel is required, it must be reflected on the permit and call times indicated. ***Lifeguards require 24 hour notice to be hired with a 4 hour minimum requirement. Maintenance also requires 24 hour notice to be hired.*** *A County Lifeguard is required for any filming that occurs on a beach or parking lot after hours (2200-0600 hrs). There is a 4 hour minimum and an additional 8 hours for all after hours filming.*
- Tent use must be indicated on permit. *No staking into parking lot. Sandbags must be used.*
- **All equipment must be 10 feet from bike path. Companies must fly cables over bike path.**
- **Generator(s) must be placed facing the water side of the parking lot.**
- **For Automobile commercials: The filming allowed under this permit shall not include promotional material, which implies endorsement by Department of Beaches & Harbors, nor can it depict identifiable Beach features or structures, which convey that implication.**

When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor.
